

Charlestown

Espresso Blend

Charlestown is a blend of 50% Brazil Pedra Branca Natural (Red Catuai grown at 1000-1500 masl) and 50% Sumatra Blue Toba Lingtong semi-washed (Typica, Catimor and Rasuna grown at 1300-1400 masl)

For filter style brews try 65g of coffee per litre of water. For espresso try brewing 1:2, we use 19g in and 38g out in with a 20g VST basket in our Sanremo RS.

Expect Rich dark chocolate notes with a syrupy caramel body and biscuit, with a smooth lingering aftertaste.
